**Free PLANE RIDES**  
*FOR YOUNG EAGLES AGES 8-17*  
2nd Saturday, 9:00 a.m. May - October  
Lake Elmo Airport - Entrance B

## Young Eagle Recognition

Each Young Eagle participant receives an official Young Eagle Flight Certificate, signed by the pilot, following their flight experience. The name of each Young Eagle is then entered into the "World's Largest Logbook" which is on permanent display at the EAA Air Adventure Museum in Oshkosh, WI. The Logbook can be searched online for your child's name at the following site.

[www.YoungEagles.org/Logbook/](http://www.YoungEagles.org/Logbook/)

## What Next After Your Flight ?

To continue learning about aviation or to continue to fly, check some of the options below for more information.

## Young Eagle Mission

Our Young Eagles program is intended to give kids their first airplane ride with a one-on-one experience with the pilot and introduce them to aviation in a positive way.

Our program is intended for one free flight only. We do not have the resources to give multiple flights to the same child throughout the year.

Of course, the weather will have to cooperate on these designated Saturdays. Rain, very low clouds, or strong winds will cause flying for the day to be cancelled.

The original mission of the EAA Aviation Foundation's Young Eagles Program was to provide a meaningful flight experience for 1 million young people between the ages of 8 and 17 by the year 2003, which was the 100th anniversary of the Wright brothers' first powered flight, and it was also the 50th anniversary of the EAA. This mission was accomplished and the Young Eagles Program has now flown over 1.3 million youngsters.

Visit [www.youneagles.org](http://www.youneagles.org)

***Safety is our number one priority.***

Our Young Eagle pilots fly a variety of FAA certified aircraft. During a pre-flight inspection, children are introduced on how the airplane flies and how it is controlled. During the flight, they get hands-on experience. After the flight, the new Young Eagle is presented a certificate suitable for framing.

## Young Eagle Flights

In advance of the flight date, go to **[WWW.EAA54.ORG](http://WWW.EAA54.ORG)** and click on the Young Eagles page and then click on the “**Sign Up**” button. Complete the short form by selecting the date of your flight and let us know how many kids will be taking a flight.

On the day of the flight, come to the EAA Chapter 54 clubhouse at Lake Elmo Airport at 9 a.m. Enter at Gate B off of Manning Rd.

### **Young Eagles must either:**

1. Be accompanied by a parent or legal guardian to complete a consent form.
2. Or be accompanied by an adult and have a consent form which has previously been filled out by a parent or legal guardian.

No child can fly without a properly completed registration/consent form. If the weather is bad, we will not fly Young Eagles and you will need to sign up again for another date.
